Thursday, 11/16 from 10:30 – Noon at Congregation Herzl-Ner Tamid: 3700 E Mercer Way

Remember when you were a kid and a piece of paper and a crayon was all it took for you to draw away like an artist? Well, it turns out that power stays with us, even if we constantly squish it down with our own self-criticism. What's WONDERFUL is that we can release that amazing skill and use visuals in our everyday lives. Join us as we play with drawing – as a group and individually – to explore how our informal sketches and doodles can improve our quality of life. Come ready to draw, leave your inner critic at the door, and know you have ALL the talent you need right inside of you. All supplies provided!
