Make sure to indicate that you are a member of Beth Shalom when you complete the survey. We need to hear from as many people as possible to make this the most effective tool for our community, so please send our Jewish Community Legislative Priorities survey to your friends and family and encourage them to make their voices heard as well! <https://www.surveymonkey.com/r/LR8C7SZ>

### **Rembrandt, the Bible and the Jews with Professor Shalom Sabar**

**Thursday, 9/27 from 7:30pm after KOGO food**

Some art historians consider Rembrandt the greatest Bible artist of all times. It is no wonder that many Jews in modern times have been fascinated by Rembrandt's thoughtful interpretation of the dramatic events in their "ancient history." A central question that remains a puzzle to this day, however, is if and how was the artist's religious art indeed influenced by his encounter with the vibrant Jewish community of Amsterdam, comprised of Portuguese Marranos who returned to Judaism in Holland and Ashkenazim, driven from other countries by persecution. Despite recent attempts to "demystify" the association of Rembrandt with the Jews of his time, his fine work during the height of his career in the heart of Amsterdam's Jewish quarter left indelible marks on his art. This feature can be most strongly demonstrated, as we will explore in the lecture, through his sophisticated usage of Hebrew phrases in some of his most famous biblical paintings.
